

REMARKS

It is believed that the new claims overcome the limitations of the prior art, none of which teach, show or suggest an apparatus, system or method as defined in the claims.

The Examiner is thanked for the consideration. Should the Examiner disagree that the claims are in condition for allowance, then the Examiner is respectfully requested to prepare an acceptable proposed set of claims pursuant to MPEP 707.07 (j).

If the Examiner has other matters which remain, the Examiner is encouraged to contact the under signed attorney to resolve these matters by Examiners Amendment where possible.

Respectfully Submitted,
